2019 BILL

1 **AN ACT** *to amend* 41.11 (1) (h) of the statutes; **relating to:** the reporting duties
2 of the Department of Tourism (suggested as remedial legislation by the
3 Department of Tourism).

Analysis by the Legislative Reference Bureau

Under current law, the Department of Tourism is required to annually report on its activities to the Senate Natural Resources Committee and the Assembly Committee on Tourism. This bill modifies the requirement so that the department reports to the appropriate standing committees of the legislature.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the Department of Tourism and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4. and 5., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.
