PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 **AN ACT to amend** 323.60 (11) (c) of the statutes; **relating to:** hazardous
2 substances safety data sheets (suggested as remedial legislation by the
3 Department of Military Affairs).

Analysis by the Legislative Reference Bureau

Current law relating to hazardous substances information and emergency planning refers to “material safety data sheets.” This bill removes the word “material” to conform the statute with current federal terminology.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.
