**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION**

1     **AN ACT** *to amend* 73.06 (1) of the statutes; **relating to:** reimbursement for  
2             attending assessment training (suggested as remedial legislation by the  
3             Department of Revenue).

***Analysis by the Legislative Reference Bureau***

Under current law, counties with populations of less than 750,000 are required to pay local assessors, clerks, and other officials a per diem and mileage reimbursement when attending assessment training held by the Department of Revenue. The amounts are paid by the county in which the person resides and must be at least \$5 per day and 6 cents per mile. This bill makes local assessors ineligible for the per diem and mileage reimbursement.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.
