

**BREAKING THE CYCLE OF INCARCERATION
THROUGH TECHNOLOGY & LIVING WAGE JOBS!**

JUSTICE-IMPACTED

LIFE CAN BE HARDER ON THE OUTSIDE!

THE WAY OUT MAKES IT EASIER!

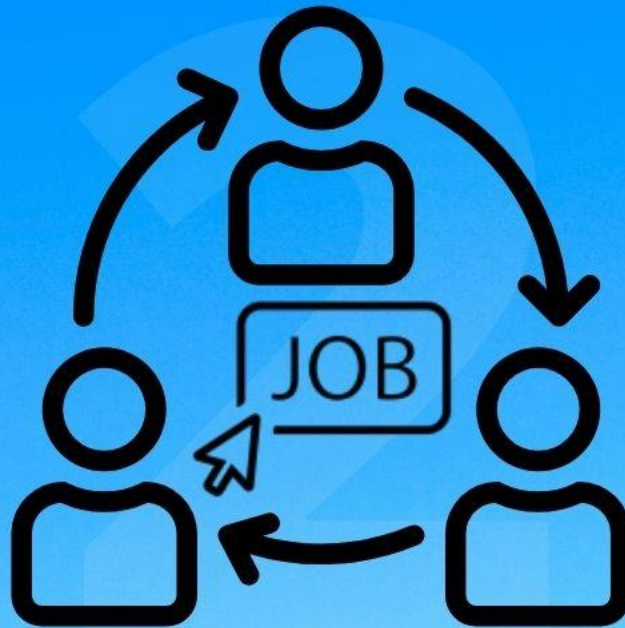

The Way Out (TWO) is a comprehensive second-chance employment platform, that aligns employers with qualified justice-impacted job seekers. In addition, TWO insures that justice-impacted job seekers can show up as "their best selves" by connecting them with additional re-entry and supportive services providers.

The Way Out assures employers that their direct hires will have greater focus and higher levels of engagement and productivity in the workplace by addressing the immediate personal needs of job seekers first, focusing on their personal and professional strengths, and offering performance-based incentives.
