Analysis by the Legislative Reference Bureau

This bill is explained in the NOTES provided by the Joint Legislative Council in the bill.

BILL

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Study Committee on Occupational Licenses.

This bill ratifies and enters Wisconsin into the Audiology and Speech-Language Pathology Interstate Compact (compact), which allows a speech-language pathologist or audiologist licensed in one member state (licensee) to obtain a "compact privilege" to practice in a remote state without obtaining a license in that remote state. Significant provisions of the compact include the following:

1. Creation of an Audiology and Speech-Language Pathology Compact Commission (commission), which includes two members of the licensure boards of each member state. The commission oversees administration of the compact, enforces the compact, adopts bylaws, promulgates binding rules for the compact, hires employees and elects or appoints officers, establishes and elects an executive committee, and has various other powers and duties. The commission may levy and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff.

2. A process by which a licensee may obtain a compact privilege in another member state, which is also referred to in the compact as a privilege to practice. A licensee practicing in a remote state under a compact privilege is subject to that state's regulatory authority. A remote state may take action against a licensee's compact privilege in the remote state, at which point the licensee is not eligible for a compact privilege in any state until certain criteria are met. The state of the licensee's primary residence, however, has the exclusive authority to impose adverse action against a license issued by that state. Member states may charge a fee for granting a compact privilege.

3. The ability for member state licensure boards to conduct joint investigations of licensees and the ability of member states to issue subpoenas that are enforceable in other states.

4. Creation of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states. A member state must submit a uniform data set to the data system on all individuals to whom the compact is applicable.

5. Various provisions regarding resolutions of disputes between member states and between member and nonmember states.

Since the compact has already been enacted by the minimum number of states required for it to become active, the compact becomes effective in this state upon enactment of the bill. The compact provides that it may be amended upon enactment of an amendment by all member states. A state may withdraw from the compact by repealing the statute authorizing the compact, but the compact provides that a withdrawal does not take effect until six months after the effective date of that repeal.

15 Public notice of any revisions shall be posted on the website of the commission. The
16 revision shall be subject to challenge by any person for a period of 30 days after
17 posting. The revision may be challenged only on grounds that the revision results
18 in a material change to a rule. A challenge shall be made in writing and delivered
19 to the chair of the commission prior to the end of the notice period. If no challenge
20 is made, the revision shall take effect without further action. If the revision is
21 challenged, the revision may not take effect without the approval of the commission.

22 **(11) OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.** (a) 1. Upon request by
23 a member state, the commission shall attempt to resolve disputes related to the
24 compact that arise among member states and between member and nonmember
25 states.

21 administration of the compact.

22 (b) Any state that joins the compact subsequent to the commission's initial
23 adoption of the rules shall be subject to the rules as they exist on the date on which
24 the compact becomes law in that state. Any rule that has been previously adopted

BILL**SECTION 31**

1 by the commission shall have the full force and effect of law on the day the compact
2 becomes law in that state.

3 (c) 1. Any member state may withdraw from this compact by enacting a statute
4 repealing the same.

5 2. A member state's withdrawal shall not take effect until 6 months after
6 enactment of the repealing statute.

7 3. Withdrawal shall not affect the continuing requirement of the withdrawing
8 state's audiology or speech-language pathology licensing board to comply with the
9 investigative and adverse action reporting requirements of this act prior to the
10 effective date of withdrawal.

11 (d) Nothing contained in this compact shall be construed to invalidate or
12 prevent any audiology or speech-language pathology licensure agreement or other
13 cooperative arrangement between a member state and a nonmember state that does
14 not conflict with the provisions of this compact.

15 (e) This compact may be amended by the member states. No amendment to this
16 compact shall become effective and binding upon any member state until it is enacted
17 into the laws of all member states.

18 **(13) CONSTRUCTION AND SEVERABILITY.** This compact shall be liberally construed
19 so as to effectuate the purposes thereof. The provisions of this compact shall be
20 severable and if any phrase, clause, sentence, or provision of this compact is declared
21 to be contrary to the constitution of any member state or of the United States or the
22 applicability thereof to any government, agency, person, or circumstance is held
23 invalid, the validity of the remainder of this compact and the applicability thereof to
24 any government, agency, person, or circumstance shall not be affected thereby. If this
25 compact shall be held contrary to the constitution of any member state, the compact

BILL

1 shall remain in full force and effect as to the remaining member states and in full

6 (b) All laws in a member state in conflict with the compact are superseded to
7 the extent of the conflict.

8 (c) All lawful actions of the commission, including all rules and bylaws
9 promulgated by the commission, are binding upon the member states.

10 (d) All agreements between the commission and the member states are binding
11 in accordance with their terms.

12 (e) In the event any provision of the compact exceeds the constitutional limits
13 imposed on the legislature of any member state, the provision shall be ineffective to
