Key: A – Appointed without party designation; AC – Administrative Coordinator; CA – County Administrator; CE – County Executive; D – Democrat; I – Independent; R – Republican; ME – Medical Examiner.

Note: All officers are elected countywide with the exception of the county board chairperson, county administrator, administrative coordinator, and medical examiner, who are elected or appointed by the county board. Elected county officers serve 2-year terms, except county executives who serve 4-year terms. Beginning 2003, sheriffs serve 4-year terms per constitutional amendment ratified 11/3/98. Reflecting a constitutional amendment ratified 4/5/2005, beginning 2006, clerks of circuit court and coroners serve 4-year terms; beginning 2008, all remaining county officers serve 4-year terms.

[1]Counties with a population of 500,000 or more are statutorily required to establish the office of county executive. Smaller counties may establish the office of county executive or name a county administrator. In counties without a county executive or county administrator, the county board must designate an elected or appointed official to serve as administrative coordinator.

[2]Menominee and Shawano County share a District Attorney.

[3]County boards are permitted to designate any registered land surveyor to perform the duties of the county surveyor. Surveyors are appointed unless party designation is shown.

[4]Surveyor/Land Information Systems Administrator.
