¹These locations no longer have post offices and mail should be addressed to municipality listed in parenthesis.

²Indicates multicoded city. The ZIP code given is the general delivery ZIP code for the city. To determine last 2 digits of ZIP code for any specific city street, consult the local post office.

³Post office is located in the city shown in parenthesis. ZIP code is listed as “recognized” on USPS Web site.

⁴Indicates there is an additional ZIP code that is used for a specific P.O. Box, company or organization, or a military installation. Source: U.S. Postal Service, at: <http://www.usps.com> [June 2015].
