

Assembly

INFORMATIONAL HEARING

Speaker's Task Force on Human Trafficking

The committee will hold a public hearing on the following items at the time specified below:

Wednesday, September 27, 2023
10:00 AM
412 East

This meeting is for invited speakers only. There will be no opportunity for public testimony at this meeting.

Amber Otis and Thomas Koss of Wisconsin Legislative Council (60 Minutes)

- Overview of existing Wisconsin law that addresses those issues that could relate to human trafficking
- Overview of legislation enacted in other states that could provide the Task Force with guidance on matters the Legislature might consider in Wisconsin

Representative from the Wisconsin Department of Justice (60 Minutes)

- Overview of the current status of human trafficking activities in Wisconsin
- Discussion of tools, processes, and techniques that are working and have been found to be successful
- Discussion of new or additional tools that can be considered by the legislature to better equip our various agencies, law enforcement, and private groups in addressing the challenges coming from human trafficking

Representative from the Wisconsin Department of Public Instruction (60 Minutes)

- Overview of the current status of human trafficking activities in Wisconsin
- Discussion of tools, processes, and techniques that are working and have been found to be successful
- Discussion of new or additional tools that can be considered by the legislature to better equip our various agencies, law enforcement, and private groups in addressing the challenges coming from human trafficking

Representative Jerry O'Connor
Chair
