TO: Members
Wisconsin Legislature

FROM: Bob Lang, Director

SUBJECT: Earmark Transparency Report on AB 56 as Shown by ASA 1, as Amended by AA 1

Under section 13.95(1r) of the statutes, as created by 2011 Wisconsin Act 220, the Legislative Fiscal Bureau must prepare an earmark transparency report on each biennial budget bill and on each amendment to that bill. The attachment to this memorandum provides the required earmark transparency report on AB 56 as shown by ASA 1, as amended by AA 1.

The report is divided into three sections. The first section lists those items included in 2019 AB 56 (the Governor's 2019-21 budget) that are included in AB 56 as shown by ASA 1, as amended by AA 1.

The second section lists those items that were added by the Finance Committee to its version of the budget and included in AB 56 as shown by ASA 1, as amended by AA 1. Included for each item of the first two sections are the page and item number showing where the provisions are described in the Legislative Fiscal Bureau's "Comparative Summary of Budget Recommendations -- Governor and Joint Finance."

The third section lists an item contained in AA 1 to ASA 1 to AB 56.

For the items in each section, the cost (appropriation or authorization) of the provision, beneficiary of the provision (if determinable), and Senate and Assembly districts of the beneficiary (if determinable) are shown if the specific location of the program or project is identified.

For purposes of this report, the statutes define an earmark as a provision that does either of the following: (1) authorizes or requires the payment of state moneys to a specific beneficiary or beneficiaries in a manner not determined by laws of general applicability for the selection of the beneficiary or beneficiaries; or (2) creates or modifies a tax deduction, credit, exclusion, or exemption that applies to a specific beneficiary or beneficiaries in a manner not determined by laws

of general applicability for the selection of the beneficiary or beneficiaries. The earmark transparency report must include the following elements: (1) a list of all earmarks; (2) the cost of each earmark; (3) the beneficiary of each earmark, if the Bureau can make this determination, and the Assembly and Senate district in which the beneficiary resides (for individuals) or is located (for entities); and (4) for a report on a budget amendment, the name of the legislator who proposed the earmark.

Under section 13.102 of the statutes, the Joint Committee on Finance may not vote to recommend passage of the biennial budget bill or an amendment to the bill until the required report, on either the bill or amendment, has been distributed by the Bureau to each member of the Legislature and is made available on the Legislature's website. During the Committee's budget deliberations, a motion to delete an earmark identified in this report shall prevail on either a majority or tie vote.

Section 13.39 of the statutes specifies that neither house of the Legislature may pass the biennial budget bill until the Bureau has distributed a copy of an earmark transparency report on the bill, as amended, to each member of the Legislature and has made the report available on the Legislature's website. If a conference committee is convened on the biennial budget bill, the conference report may not add any earmarks to the budget, but may reduce the cost of any existing earmarks.

The attached list includes items contained within AB 56 as shown by ASA 1, as amended by AA 1, which, in our review, reflect the language of 2011 Act 220. The items that are listed identify a specific, named, non-state beneficiary of the earmark. The list does not include projects or programs that would be funded for a state government purpose, such as University of Wisconsin campus facilities or state highway projects.
