ORDER

An order of the Department of Regulation and Licensing to *amend* RL 62.11 (1) (L), relating to holding classes outside of the classroom.

Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 227.11 (2) and 440.62 (5) (b), Stats.

Statutes interpreted: s. 440.62 (5) (b), Stats.

The Department of Regulation and Licensing proposes to revise its rules to allow students in a barbering and cosmetology practitioner, manicuring, aesthetician or electrologists school program to attend classes outside of their school. Under current rules, classes may only be held at the location of the school identified in its latest application. These proposed rules would allow students to receive classroom credit for visiting an actual establishment or for individual student needs or industry trends.

The department believes it is important for students to receive exposure to the current industry trends and techniques necessary for the protection of the health, safety and welfare of the Wisconsin citizenry.

TEXT OF RULE

SECTION 1. RL 62.11 (1) (L) is amended to read:

RL 62.11 (1) (L) Holding classes, except for structured salon visits and instruction for individual student needs or industry trends, at any location other than that identified in the school's or specialty school's latest application for licensure.

(END OF TEXT OF RULE)

The rules adopted in this order shall take effect on the first day of the month following publication in the Wisconsin administrative register, pursuant to s. 227.22 (2) (intro.), Stats.
