Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 15.085 (5) (b) and 227.11 (2), Stats., and ss. 448.9525 (1) and (2), 448.954 (2), 448.9545 (2) (a), 448.955, 448.956 (1) and 448.957 (2), Stats., as created by 1999 Wisconsin Act 9.

Statutes interpreted: Chapter 448, Subchapter VI, Stats.

In this proposed rule-making order the Athletic Trainers Affiliated Credentialing Board creates rules relating to the licensure of athletic trainers. These rules are as a result of 1999 Wisconsin Act 9 which created the Athletic Trainers Affiliated Credentialing Board. Chapters AT 1 to 5 establish requirements and standards for licensure and the practice of licensed athletic trainers. The rules specify the educational, examination, experience and insurance requirements for licensure; minimum requirements for a protocol for the treatment of an athletic injury; approved continuing education; and rules of professional conduct.

Section AT 1.01 sets forth the statutory authority for the proposed rules. Section AT 1.02 creates the definitions for the rules. Section AT 1.03 sets forth the use of restricted title or designation. Section AT 1.04 sets forth the requirements for liability insurance coverage and surety bonds. Section AT 1.05 provides the examination provider.

Sections AT 2.01 and 2.02 outline the application process. Sections AT 2.03, 2.04 and 2.05 set forth the application process for a temporary license and a temporary license renewal.

Sections AT 3.01 and 3.02 set forth the continuing education requirements.

Section 448.9525 (2), Stats. requires that the Athletic Trainers Affiliated Credentialing Board and the Medical Examining Board jointly promulgate rules relating to the minimum requirements of an evaluation and treatment protocol for athletic trainers and their consulting physicians and a record on a protocol form. Section AT 4.01 describes the protocol evaluation

and treatment procedures to be established by the licensee and approved by the consulting physician. Section AT 4.02 spells out the mandatory protocol requirements. The Medical Examining Board has reviewed proposed Chapter AT 4 and found it acceptable. The Medical Examining Board will be involved in further review and final adoption of the rules under s. 448.9525 (2), Stats.

Section AT 5.01 defines unprofessional conduct as it applies to the profession.
