: (CLEARINGHOUSE RULE 96-027)

ORDER

An order of the Medical Examining Board to amend Med 10.02 (2) (q) relating to unprofessional conduct.

Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 15.08 (5) (b), 227.11 (2), 448.01 (11) and 448.02 (3), Stats.

Statutes interpreted: s. 448.01 (11), Stats.

In this proposed rule-making order the Medical Examining Board amends s. Med 10.02 (2) (q), to remedy the failure of the present rule to provide authority for the board to bring disciplinary action against a licensee who has been subject to an adverse licensure action in another jurisdiction, which adverse action is either not the result of formal disciplinary proceedings, as when an application for an initial license in the other jurisdiction is denied or is granted on a limited basis, or is taken without any finding of misconduct, as often happens when the adverse action is taken pursuant to a stipulation by which it is agreed that no such finding shall be made.

TEXT OF RULE

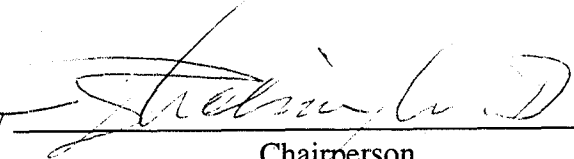

SECTION 1. Med 10.02 (2) (q) is amended to read:

Med 10.02 (2) (q) Having a license, certificate, permit, registration, or other practice privilege credential granted by another state or by any agency of the federal government to practice medicine and surgery or treat the sick, which becomes limited, restricted, suspended, or revoked, or having been subject to other disciplinary adverse action by the state licensing authority or by any agency of the federal government, including but not limited to the denial or limitation of an original credential, or the surrender of a credential, whether or not accompanied by findings of negligence or unprofessional conduct.

(END OF TEXT OF RULE)

The rules adopted in this order shall take effect on the first day of the month following publication in the Wisconsin administrative register pursuant to s. 227.22 (2) (intro.), Stats.
