**ORDER OF THE
DEPARTMENT OF HEALTH AND FAMILY SERVICES
REPEALING, RENUMBERING, AMENDING, REPEALING AND
RECREATING AND CREATING RULES**

To repeal HSS 124.27(5m); to renumber HSS 124.27(4) to (10); to amend HSS 124.27 (title) and 124.29 (Note), as renumbered; to repeal and recreate HSS 132.815(2) and 134.815(2); and to create HSS 124.30, 124.31, 132.812 and 134.812, relating to review of plans for constructing or remodeling a hospital, nursing home or facility for the developmentally disabled (FDD), including review for compliance with the State Building Code, and fees for plan review.

Analysis Prepared by the Department of Health and Family Services

Until recent enactment of the State Budget for 1995-97, 1995 Wisconsin Act 27, construction plans for nursing homes, hospitals and facilities for the developmentally disabled were subject to review and approval by two state agencies. The Department of Industry, Labor and Human Relations (DILHR) reviewed the plans for conformance to the State Building Code, chs. ILHR 50 to 64, Stats. The Department of Health and Social Services (DHSS), the licensing agency, reviewed the plans for conformance to the Life Safety Code. Act 27 provided for consolidation of plan review and approval responsibility in the Department of Health and Social Services effective October 1, 1995. On that date, DILHR's nursing home, hospital and developmentally disabled facilities construction plan review responsibility and functions were transferred to DHSS. The State Building Code, however, remains a DILHR responsibility because it applies to other buildings in addition to those facilities. Through this rulemaking order, the Department of Health and Family Services is incorporating, in its licensing rules for nursing homes, hospitals and facilities for the developmentally disabled, references to the parts of the State Building Code that are relevant for its new review of facility construction plans for conformance with the State Building Code, and establishing plan review fees.

Sections 50.02(2)(b) and 50.36(2), Stats., as affected by 1995 Wisconsin Act 27, direct the Department to conduct plan reviews of all capital construction and remodeling projects for nursing homes, hospitals and facilities for the developmentally disabled to ensure that the plans comply with building code requirements under ch. 101, Stats., and with physical plant requirements under ch. 50, Stats. Sections 50.02(2)(b) and 50.36(2), Stats., as affected by Act 27, further provide that the Department's fees for conducting the reviews are to be less than the sum of the amounts charged on September 30, 1995, for plan review under ch. 50, Stats., and for examination of hospital, nursing home and facility for the developmentally disabled plans under s. 101.19(1)(a), 1993 Stats.

The Department since October 1, 1995, under the authority of s. 9126 of 1995 Wisconsin Act 27, has been collecting fees for the combined plan reviews that are equal to the

sum of the fees collectible on September 30, 1995, under ss. 50.02(2)(b) and 50.36(2), 1993 Stats., and s. 101.19(1)(a), 1993 Stats. The Department will continue to collect fees calculated on that basis through June 30, 1996, at which time the new fees will take effect. The new fees are 95 percent of the sum of the separate fees.

Through this rulemaking order, the Department is also dividing subch. V of ch. HSS 124, rules for hospitals, into 10 sections, for ease of reference and to give greater visibility to major divisions of the subchapter. Currently, the entire subchapter, which relates to physical environment, consists of one section, s. HFS 124.27.

The Department's authority to repeal, renumber, amend, repeal and recreate and create these rules is found in ss. 50.02(2)(a) and (b)2. and 50.36(1) and (2)(b), Stats., as affected by 1995 Wisconsin Act 27. The rules interpret ss. 50.02(2)(b) and 50.36(2), Stats., as affected by 1995 Wisconsin Act 27.

SECTION 1. HFS 124.27 (title) is amended to read:

HFS 124.27 (title) GENERAL REQUIREMENTS AND DEFINITIONS.

SECTION 2. HFS 124.27(4) is renumbered 124.28.
